Sir:

Pursuant to the provisions of 37 CFR § 1.56 and §1.97-§1.98, Applicants hereby submit one non-patent reference which they believe may be material to the examination of this application and in respect of which there may be a duty to disclose.

This reference is set forth on the attached Substitute Form PTO 1449. A copy of the listed reference is provided.

The reference listed on the 1449 was brought to the attention of Applicants in conjunction with opposition proceedings filed against a related commonly owned European patent.

While the reference disclosed in this Information Disclosure Statement may be “material” pursuant to 37 CFR § 1.56, submission of this IDS is not intended to constitute an admission that said reference is “prior art” for this invention.

In accordance with 37 CFR § 1.97(g), the filing of this Information Disclosure Statement shall not be construed to mean that a search has been made or that no other material information as defined in 37 CFR § 1.56(a) exists. It is submitted that this Information Disclosure Statement

complies with 37 CFR § 1.98 and MPEP § 609, and the Examiner is respectfully requested to consider the listed reference.

This IDS is being submitted before the mailing of a first Office Action after the filing of a request for continued examination under 37 CFR §1.114. Therefore, Applicants believe that no fee is required. If this belief is mistaken, however, the Commissioner is hereby authorized to credit any overpayment or to charge any deficiency in any required fee to Deposit Account No. 07-1445.

Respectfully submitted,
